

African Journal of Hospitality, Tourism and Leisure

VOLUME 9(5) 2020

1. Using a fuzzy-set configuration approach and structural equation modeling to explore the effect of destination residents' motives on tourism value co-creation - Mekawy, M. (University of Sadat City, Egypt / Catholic University of Leuven, Belgium / Saudi Commission for Tourism and National Heritage, Riyadh, KSA) & Elbaz, A.M. (University of Sadat City, Egypt / University of Technology and Applied Sciences, Oman) pp. 771-792. DOI: <https://doi.org/10.46222/ajhtl.19770720-51>
2. The Design of a Bayesian Network Model for Increasing the Number of Graded Tourism Establishments - Mothoagae, T. & Joseph, N. (University of Johannesburg, South Africa) pp. 793-809. DOI: <https://doi.org/10.46222/ajhtl.19770720-52>
3. Challenges and coping strategies of 2019-nCoV in the tourism industry of Mauritius - Chummun B. Z. & Mathithibane, M. (University of KwaZulu-Natal, South Africa) pp. 810-822. DOI: <https://doi.org/10.46222/ajhtl.19770720-53>
4. Adaptation of the Delphi technique for electronic application in the challenging food industry environment - Fisher, H., Erasmus, A.C. & Viljoen, A. (University of Pretoria, South Africa) pp. 823-841. DOI: <https://doi.org/10.46222/ajhtl.19770720-54>
5. The impact of demographic influences on work engagement for front of house female hotel employees – Mokhele, P. & Geyser, I. (University of Johannesburg, South Africa) pp. 842-855. DOI: <https://doi.org/10.46222/ajhtl.19770720-55>
6. Non-Technological Food Service Innovation Models: Towards Building Value Creation in Restaurants within Hotels in Nairobi County, Kenya – Kamau S W & Kalui B. (Kenyatta University, Kenya) pp. 856-875. DOI: <https://doi.org/10.46222/ajhtl.19770720-56>
7. Profiling disabled people as a potential tourism market segment in South Africa - Makuyana, T., du Plessis, E. (North West University, South Africa) & Chikuta, O. (Botho University, Botswana) pp. 876-891. DOI: <https://doi.org/10.46222/ajhtl.19770720-57>
8. The glass ceiling: Career progression barriers for female employees in the South African hospitality industry - Mwashita, T., Zungu, N. & Abrahams, D. (University of Johannesburg, South Africa) pp. 1077-1093. DOI: <https://doi.org/10.46222/ajhtl.19770720-70>
9. Towards Establishing Zimbabwe Tourism Destination Brand Equity Variables through Sustainable Community Involvement - Chigora, F., Muzurura, J & Zvavahera, P. (Africa University), Mutambara, E. & Ndlovu, J. (University of KwaZulu-Natal, South Africa) pp. 1094-1110. DOI: <https://doi.org/10.46222/ajhtl.19770720-71>
10. Entrepreneurial Resources as a Driver of Performance Differences in a Quick Service Restaurant Franchise System - Marks, J. & Golovey, E. (Gordon Institute of Business Science, University of Pretoria, South Africa) pp. 1111-1130. DOI: <https://doi.org/10.46222/ajhtl.19770720-72>
11. Does the Curricula of Tourism Studies in Higher Education meet the Educational and Occupational Needs of the Tourism Labour Market? - Al-Romeedy, B.S. (University of Sadat City, Egypt) Sanyo Moosa (University of Technology and Applied Sciences, Oman) & Elbaz, A.M. (University of Sadat City, Egypt & Salalah College of Applied Sciences, University of Technology and Applied Sciences, Oman) pp. 1131-1143. DOI: <https://doi.org/10.46222/ajhtl.19770720-73>

12. Evaluation of government responses and measures on Covid-19 tourism sector: A case of Tour Guides in South Africa – Nyawo, J.C. (University of KwaZulu-Natal, South Africa) pp. 1144-1160. DOI: <https://doi.org/10.46222/ajhtl.19770720-74>
13. Factors Impacting Employee Absenteeism and the Managers' Perception of its Causes in the Hotel Industry - Mukwevho, H. (Department of Tourism, South Africa), Nesamvuni, A.E. & Roberson, J.R. (Tshwane University of Technology, South Africa) pp. 1161-1177. DOI: <https://doi.org/10.46222/ajhtl.19770720-75>
14. Distribution of the benefits of NgareNdare Forest Trust and Il Ngwesi Group Ranch ecotourism enterprises in Kenya - Ireri, P. (Ecotourism Department, Kenya Forest Service), Kungu, J.B. & Muriithi, J.K. (Kenyatta University, Kenya) pp. 1178-1192. DOI: <https://doi.org/10.46222/ajhtl.19770720-76>
15. An exploratory analysis of visitor spending at a cultural event in eSwatini – Hermann, U.P., Tshipala, N.N. & Dlamini, N.N. (Tshwane University of Technology, South Africa) pp. 1193-1204. DOI: <https://doi.org/10.46222/ajhtl.19770720-77>
16. The Competitiveness of East African and South American Coffee in the World Market - Bogale, M., Ayalew, M. & Mengesha, W. (Jimma University, Ethiopia) 1205-1219. DOI: <https://doi.org/10.46222/ajhtl.19770720-78>
17. Exploring Air Namibia's Operational Efficiency : The Interface Between Strategy and the Six Pillars of the Organisation - Hamatwi, N.J. (Da Vinci Institute for Technology Management, South Africa) & Govender, K.K. (University of KwaZulu-Natal, South Africa) pp. 1238-1251. DOI: <https://doi.org/10.46222/ajhtl.19770720-80>
18. Enhancing Community Participation in Ecotourism through a Local Community Participation Improvement Model – Gumedde, T.K. & Nzama, A.T. (University of Zululand, South Africa) pp. 1252-1272. DOI: <https://doi.org/10.46222/ajhtl.19770720-82>
19. Effect of food safety and management commitment on customer choice of dining destination in Kenya – Ondara, R.O. (The Technical University of Kenya, Kenya), Fwaya, E.V.O. (Maasai Mara University, Kenya) & Gesage, B. (Karatina University, Kenya) pp. 1273-1283. DOI: <https://doi.org/10.46222/ajhtl.19770720-82>
